

MARKETING & ADVERTISING

CO-OP INSERT FOR MAY 10, 1987

As you plan second quarter's advertising, you may wish to consider a Co-Op Insert. This program is continuing to returned by February 2. You will then have success in most Company and receive an actual bill. Please note that franchised markets where November 30th Insert began, following average sales increases have 1. Media Costs been seen by those locations participat-(All numbers compare '86 to '85 sales).

Week Ending	Company	Franchise
12/7	23.0%	16.9%
12/14	20.4%	15.4%
12/21	22.0%	22.8%
12/28	6.7%	4.8%
1/4	13.5%	N/A

The Company will be publishing an insert in select markets on May 10. By joining the Company's order, you have the advantages of Keller-Crescent doing all the work for you, as well as volume purchasing power with the company order. Following are the specifics for this order.

COUPON OFFER AND PLACEMENT

Attached are copies of past inserts. The placement of coupons at the top or bottom of the page, and the position within the booklet are the discretion of the printer. The coupon offers will be the same as on the copy, except with an expiration date of June 20, 1987. CANNOT CUSTOMIZE ANY COUPON OFFERS.

HOW TO ORDER AND COSTS

Please compute your estimated using the attached form. It must be used. Since DEADLINES MUST BE FOLLOWED.

Attached is a listing of available market areas. Note that each is assigned a number (1-122). Newspapers in each market, as well individual circulation newspaper thousands, (listed as 000) included. Also listed is the total market area circulation.

Media cost is \$6.82 per thousand. can compute your cost multiplying \$6.82 by the circulation of your market area. For example:

Market #1 -Full circulation (2 papers)

 $$6.82 \times 227 = $1.548.14$

However, if you only want the co-op insert in one of the market's newspapers, you will pay an additional \$1250 "combo break". Example:

Market #1 - Portland Telegram ONLY

\$6.82 X 135 = \$ 920.70 Plus combo break = \$1,250.00 TOTAL \$2,170.70

In this case, it would cost less to buy the entire market area. recommend that you compute costs both ways to determine which is most cost efficient for your market.

2. Production Costs

Production costs average \$600 per market. This includes about \$200 for typesetting addresses, mechanical art production, film and engraving, shipping and tax. Plus, approximately \$400 required by the co-op vendor/printer for black plate changes and strip-ins.

ADDRESSES

Most newspapers allow address/phone listing as shown on the attached copy. Please indicate the appropriate information per market on your order form. We will notify you if your local paper does NOT allow addresses.

SHARED MARKETS

Company markets are noted in the first column of the market listing by the designation SB or CEC. If you are located in a market already designated by the company, it is possible to "Share", even if your concept varies from the specified concept. Please call Lois Perry to discuss, as markets may fluctuate for the May insert.

If you share a market with another franchisee, it is possible for you to split the cost of the promotion by including all addresses on the coupon. In these cases, please coordinate with the other franchisee and place one order.

REPEAT ORDERS

If your order is an exact repeat of a previous order, just list as such in the address column on the order form. You will not need to specify addresses again.

SCHEDULE

February 2 - All orders are due to Lois Perry.

February 9 - Billing letters will be mailed this week.

March 2 - Payment due to Keller/Crescent.

If you have any questions, please call your Franchise Representative or Lois Perry.
